pig

Sample

sample number	animal ID	animal name

Instructions for sampling

- ▶ Please pluck hair **from tail tip, forelock, tailpunch,** with **clearly visible hair roots**
- ▶ Pluck **15 hairs with roots** (do **not** send cut hair)
- ▶ Make sure the **hairs remain in one direction** and tape them **on the arrow below** (see example on the right)
- ▶ Trim any excess of hair on the left side of the adhesive tape
- ▶ Fold the paper and put in an envelope (each per sample)

Thank you!
